Address: _____

Fee Payment - Authorization – Release of Records

In connection with my Medical Cannabis Production Establishment / Agent application, I understand that each applicant for a license as a cannabis production establishment or as an agent shall submit to the department, fees covering the cost of the background check and Authorization forms(s). This will allow the department to send the Live Scan Fingerprint Authorization form to the applicant. Once the person gets fingerprinted under the Dept of Ag Bcode then the department will be able to see the records.

Break down of back ground fees:

FBI Background Check Fee- \$13.50 (Federal)

WIN Background Check Fee- \$15.00 (Western States)

AFIS Retention Fee- \$5.00 (rapback retention fee to retain prints)

OBPS Fee- \$18.00 (This is what we would charge to process and monitor the background clearances)

Total \$51.50
